Raptor: Dragon Blood, Book 6 by Lindsay Buroker - Google Play

Raptor is the sixth (or seventh depending on how one counts) book in this series, so if you've read this far, you pretty much know what you are in for. The book is typical of Buroker's work where the characters have some disparate goals, they start working to complete them and come together as these goals converge. Most of the main characters are well developed by now and a lot of the ...

Book 6 of Lindsay Buroker's Dragon Blood series continues the story line with a focus on further developing one of the minor characters from the series. Lindsay is an entertaining storyteller that has created a lush environment with engaging characters. While the storyline follows the usual "good triumphing over evil", her style has me rooting for the characters and staying up waaay into the ...
