Singularity Trap, or The Singularity Trap (haven't quite decided) will be a standalone novel (no series, this time). Here's my first cut at a blurb: Here's my first cut at a blurb: After scrimping and saving for two years, Ivan Pritchard lands a berth with the mining ship Mad Astra.

SINGULARITY TRAP " Dennis E. Taylor

The Singularity Trap is getting some pretty awesome reviews. However, I'm going to go against the grain a bit by suggesting Taylor still has a lot to work on from a writing perspective. He is a fantastic story teller with an outstanding imagination, but his writing still has that awkward self published feel to it. I loved the Bobiverse series, in large part do to the unique nature of the plot ...
